

# T-i<sup>X</sup> 1000

Intelligent  
Cash Counting

The Tellermate T-i<sup>X</sup> 1000 accurately counts a cash drawer in under a minute, reducing errors and giving you more time to focus on profit producing tasks.

### **Counts in less than 60 seconds.**

It can quickly and accurately count a drawer of coins and bills saving you valuable time. With a single versatile count task and automatic adding and scrolling, your count is further simplified without the need to press additional buttons.

The T-i<sup>X</sup> 1000 provides a summary screen at the end of your count giving you a full breakdown of denominations and totals, preventing mathematical errors or the need for a calculator.

One counting tasks for simplified counting

Easy to Use

Automatic adding and scrolling

Software upgradeable via USB drive

# Smart, tough and accurate

**We design our cash counters so anyone in your business can learn to use them quickly and easily.**

Our intuitive menu guide users through the steps of each counting task. The large backlit display makes features easy to find and use.

Our cash counters are light, portable and tough with a liquid resistant key mat to protect against spills.

## Customer Support

The TellerMate Customer Support team is there to help you every step of the way. Our team is able to solve the majority of customer queries over the phone, easily and efficiently.

## Input

The T-iX 1000 can count loose coins, bills, and bagged coins
