

# T-i<sup>X</sup> 2000

Intelligent  
Cash Counting

The Tellermate T-i<sup>X</sup> 2000 accurately counts a cash drawer in under a minute, reducing errors and giving you more time to focus on profit producing tasks.

### *Counts in less than 60 seconds.*

It can quickly and accurately count a drawer of coins, bills and coupons saving you valuable time. When combined with a Tellermate printer, you can print reports for even greater accountability.

The T-i<sup>X</sup> 2000 helps you prepare more efficient bank deposits with a feature that alerts users to errors in bands, ensuring that deposits are correct the first time, while providing an instant view of daily cash takings.

Two counting tasks for cashing up and banking

Customizable float values

Option to connect to a Tellermate printer

Multiple currency options available

Software upgradeable via USB drive

# Smart, tough and accurate

**We design our cash counters so that anyone in your business can learn to use them quickly and easily.**

Our intuitive menu guide users through the steps of each counting task. The large backlit display makes features easy to find and use.

Our cash counters are light, portable and tough with a liquid resistant key mat to protect against spills.

## Customer Support

The Tellermate Customer Support team are there to help you every step of the way. Our team are able to solve the majority of customer queries over the phone, easily & efficiently.

## Input

The T-iX 2000 can count loose coins & bills, bundled bills, bagged coins and coupons.

## Control

A large backlit display with clear icons and keypad is easy to use and read, preventing usage errors.

## Connect

Data can be sent to a Tellermate printer, giving you an excellent overview of your cash management.
