Pelican 305S+

*Quietly perfecting the art and science
of coin counting and sorting*

MAGNER ®

Proven Performance and Quality

MAGNER Pelican 305S+

Designed for ease of use in applications that demand high levels of accuracy and reliability with the lowest operational noise level. Our Pelican 305S+ counts and sorts the six U.S. Coins at speeds up to 800 coins per minute using patented alloy sensor technology that automatically off sorts foreign coins, tokens or slugs from the coin mix. The 305S+ is configurable as a counter top sorter with coin drawers or with a security stand to facilitate the direct bagging of coins. Bag stops are exact and programmable which allows the unit to be used for coin packaging as well as coin sorting, performing two machine functions in one.

The Pelican 305S+ is unmatched for its low operational noise level and has standard features that are options on competitors' machines.

PELICAN 305S+ SPECIFICATIONS

Counting Speed
Approximately 800 coins/per minute

Counting Device
Alloy sensor

Reject Capability
Automatically off sorts foreign coins, tokens or slugs from the coin mix

Display
LCD, 2 lines, 20 characters

Coin Diameter
.5512 in. to 1.339 in.
(14mm to 34mm)

Coin Thickness
Max. .1575 in. (4mm)

Hand Coin Scoop

Hopper Capacity
Approximately 1000 U.S. dimes

Batching
Programmable exact bag stops

Sorting Method
Gravity rail

Dimensions
20.5 in. (W) x 13.2 in. (D) x 18.7 in. (H)
520mm (W) x 335mm (D) x 475mm (H)

Net Weight
48.4 lbs. (22 kg.)

Power Source
110/220 VAC

Power Consumption
33 Watts; .30 Amps; 24 V

Temperature Limits
+41° to +104° F (+5° to +40° C)

Other Standard Features
- RS232 communications port
- Denomination totals at batch and grand levels
- Battery back-up
- Six coin drawers

Optional Additions
- Mounted inspection tray, capacity approximately 3000 U.S. dimes
- Security bagging stand with manifold and five bag attachments
- 35 column thermal printer (305S+P)
- *Tubing drawer for roll coin packaging*

CE TÜV

Optional Mounted Inspection Tray

Tubing Drawer for Roll Coin Packaging

Security Bagging Stand

Integrated 35 Column Thermal Printer *(optional)* 305S+P
