Tidel Series 4e

The Tidel Series 4e offers industry-leading expansion capabilities that retail organizations require to manage their day-to-day cash management business.

Tidel Series 4e Cash Management System

Expansion capabilities for Note Dispensing, Coin Dispensing and Recycling, and Note Validation.

The Tidel Series 4e offers industry-leading expansion capabilities that enable retail organizations to recycle coins, dispense coins and notes, and scale their note deposit and validation capabilities. By supporting these peripherals, the Tidel Series 4e is the only choice for retail organizations that require end-to-end cash management solutions that address a diverse set of needs.

Tidel Series 4e Supported Peripherals

| Bulk Coin Dispenser 6 cup and 8 cup | Rolled Coin Dispenser | High Capacity Bulk Coin Dispenser | Bulk Coin and Note Dispenser | Low Capacity Note Dispenser | High Capacity Note Dispenser (3-high) | High Capacity Note Dispenser (4-high) | Bulk Coin Dispenser and Recycler | Side Car |

Connectivity and Upgradeability

The Series 4e and supported peripherals connect via data cables that are provided with each system. The cables are offered in up to 100' lengths, which enable unparalleled flexibility when placing the systems in a store environment. In addition, by offering this connectivity method, peripherals can be purchased and deployed after a Series 4e has been placed in a store, enabling a simple and effective upgrade path.
